Family and adventure hikes

Sunday, 23th July to Friday, 28th July 2017

Family adventure hike with your host father (local mountain guide and hunter) and his family. Adapt to the children's pace, we will stop to observe wildlife and listen to stories about our mountains and animals.

Parents can enjoy themselves, children forget about time and distance and at night everybody will be peacefully tired, happy and looking forward to our delicious dinner prepared by our chef. Suitable for families with children between 3 and 12 years.
